PREGNANCY AND PARENTHOOD

A student's right to participate fully in classroom instruction and co-curricular activities shall not be abridged or impaired because of pregnancy or because the student is a parent.

A pregnant student is eligible for all usual and customary educational opportunities and services. In the case of pregnancy a representative of the school will be available to meet with the student (and/or parents) to determine:

- 1) possible strategies which can assist the student to benefit from a school program, and
- 2) responsibility of both the student and school personnel.

It is the responsibility of the student and/or parents to request this meeting.
