Information Regarding Returning to the Workplace for Staff Members

This will serve as a general overview for staff regarding returning back to the workplace/school during this COVID pandemic. More information will be forthcoming. Please be sure to check your school issued email for updates.

Preparations are well underway towards safely opening schools for in-person instruction, in accordance with the directives from the Governor and the Agency of Education. The Supervisory Union developed an SU wide COVID Task Force who has been working diligently for a safe return to school for all students and staff.

The exemptions for vulnerable health conditions that were in place during school closure have expired.

Staff who may have a serious underlying medical condition and may be at higher risk for severe illness from COVID should consult their health care professional. Serious underlying medical conditions do not automatically qualify an employee for leave. Employees may be eligible for Family & Medical Leave Act (FMLA), Vermont Parent & Family Leave (VPFLL), or American with Disabilities Act (ADA). Please be in direct contact with Human Resources if you wish to pursue these leave or accommodation options.

Families First Coronavirus Response ACT (FFCRA), which includes Emergency Paid Leave Act (EPLA) and Emergency Family and Medical Leave Expansion Act (EFMLEA), provides for paid leave for specific reasons related to COVID-19. This paid leave does not count against an employee’s contract leave. Generally, under the Act, employers must provide:

- Two weeks (up to 80 hours for full time) of paid sick leave at the employee’s regular rate of pay where the employee is unable to work because the employee is quarantined (pursuant to Federal, State, or local government order or advice of a health care provider), and/or experiencing COVID-19 symptoms and seeking a medical diagnosis; or
- Two weeks (up to 80 hours for full time) of paid sick leave at two-thirds the employee’s regular rate of pay because the employee is unable to work because of a bona fide need to care for an individual subject to quarantine (pursuant to Federal, State, or local government order or advice of a health care provider), or care for a child (under 18 years of age) whose school or child care provider is closed or unavailable for reasons related to COVID-19, and/or the employee is experiencing a substantially similar condition as specified by the Secretary of Health and Human Services, in consultation with the Secretaries of the Treasury and Labor; additionally
- Up to an additional 10 weeks of paid expanded family and medical leave at two-thirds the employee’s regular rate of pay where an employee is unable to work due to a bona fide need for leave to care for a child whose school or child care provider is closed or unavailable for reasons related to COVID-19.

All employees will be expected to report to the workplace. Virtual Instruction for all employees was a one-time special exemption during State mandated school closure.
Please contact Human Resources with any questions you may have.

Thank you and stay safe.
